

- We ensure that all individuals working at or for the Club are recruited and appointed in accordance with ECB Safer Recruitment guidance and relevant legislation and are committed to providing a welcoming, safe, and fun experience for children
- We promote a listening culture where the views of children, parents/carers, volunteers and other club members are proactively sought and acted upon. This helps us to create an environment where people have the opportunity and confidence to raise concerns, including concerns about poor practice, abuse and neglect
- We seek to create a partnership with parents/carers so that they know what to expect from us and what we expect of them
- We ensure that external organisations who are delivering services on behalf of the Club have safeguarding measures in place which meet the requirements of Safe Hands.

Reporting and Responding to Safeguarding Concerns

It is our aim that everyone at the Club should feel confident to raise a concern, no matter how small. We believe that raising and dealing with concerns quickly, when they occur, supports a proactive safeguarding culture at the Club.

All suspicions, concerns and allegations will be taken seriously. We will follow the 3R's with every concern: **Responding** appropriately, **Recording** confidentiality and **Reporting** where necessary, ensuring that concerns are dealt with in a fair and prompt manner.

The Club recognises that it is not the responsibility of club members to determine or investigate if abuse has taken place, but to act upon and report any concerns promptly.

We ensure that confidential information relating to safeguarding matters is shared appropriately and only with those who need to know. Information may need to be shared with the County Safeguarding Officer, Cricket Regulator Safeguarding Team, or local agencies with statutory responsibility for safeguarding. If we are unsure, we will seek advice from our County Safeguarding Officer.

Adopting the ECB's Safe Hands Policy and Guidance

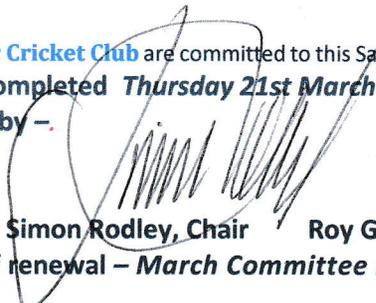

- The Club has formally adopted the ECB's Safe Hands Policy and guidance as part of our constitution
- The Club works within the ECB Safeguarding Procedure for the management of safeguarding investigations
- We ensure that all individuals who work and volunteer at or for our Club understand how Safe Hands applies to them.
